NOTE: Bids which do not comply with the following pre-qualification requirements may not be read at the discretion of the Board. The pre-qualification rating shall be attached to the bid.

1. The pre-qualification rating shall be on file at the Macomb County Department of Roads, or shall be attached to the bid. However, a letter from the Michigan Department of Transportation may be accepted if the letter discloses that the pre-qualification rating with MDOT is extended, is currently in effect, and has not lapsed.
2. A contractor whose pre-qualifications have expired, and is unable to supply with the proposal a letter of extension from the Michigan Department of Transportation pre-qualification unit, as described in number one (1) above, shall certify in writing that their pre-qualification has been extended by the Michigan Department of Transportation until such time as their new rating can be issued. Certification means a written, notarized affidavit under oath, setting forth facts (dates, times and individuals), which will serve to substantiate the contractor's claims of classification. If this certification does not accompany the bid, the Board in its discretion may elect not to read the bid.

NET CLASSIFICATION: 516 N3 (Pavement Marking)

A satisfactory bid bond, certified or cashier's check, bank money order, or certificate of deposit on an open, solvent bank, in the amount of not less than five (5%) percent of the total bid, payable to the Board of County Commissioners of the County of Macomb shall be submitted with each bid.

The Macomb County Department of Roads at its discretion, reserves the right to reject any or all bids and to waive any irregularities in the bidding process, and to make the award as may appear to be in the best interest of the County of Macomb. No bid may be withdrawn after the scheduled closing time for receiving bids for at least 45 days.
